MEMORANDUM FOR: Deputy Director for National Foreign Assessment

FROM: Director of Central Intelligence

SUBJECT: Proposals for Presidential Action in MBFR ☐

25X1

1. Thanks for your memo on MBFR developments and the attached material from Rae Huffstutler. With respect to this particular proposal, I hope we are insisting that it be made clear to the President that we do not agree with giving in ☐ on the two on-site inspection measures. ☐

2. With respect to the more general problem, I'd like to try to get out in front of MBFR verification. Do we have someone like ☐ who will be in charge of this-☐ or Doug MacEachin? If so, could they develop a scorecard approach to MBFR? With something like that we would be in a better position to argue our case. ☐
